TERMS AND CONDITIONS

AIR TRANSPORTATION

Air transportation is in economy class on IATA carrier, based on lowest promotional airfares and subject to terms and conditions set by the airlines. Airfares quoted are those in effect at time of printing and are subject to change without notice. Airfares can be protected from increase only by payment in full and the issuance of tickets. Changes in flight itineraries by the passenger after the issuance of tickets may result in a change fee and an increased airfare. When an airline has sold out its promotional airfare quoted in the package, a different booking code with a higher rate will be used at additional cost. Airlines reserve the right to change schedules without notice. Under the packages stated herein, the airline is a supplier of air transportation only. The other suppliers providing transportation, hotel accommodations, and rail and rental car services under these vacation packages are independent contractors and are not employees of the airlines. Because of increased liability concerns, airlines are imposing additional insurance surcharges with/without prior notice. Airline fuel surcharges (as of Nov 15, 2019) are included in the tour package rates and subject to change. Airfare quoted could be adjusted accordingly. Government taxes and fees, which are included in the brochure prices, are as follows: September 11th Security Fee of \$5.60 per enplanement at a US airport per one-way trip; Passenger Facility Charges of up to \$4.50 per segment (up to a maximum of four such charges per round trip); US Domestic Flight Segment Fee of \$4.20 per segment (defined as one takeoff and one landing); Hawaii and Alaska International Air Transportation Tax of \$9.30 per direction for flights between continental US and Hawaii or Alaska, or flights between Hawaii and Alaska, as part of an international journey; US Immigration and Naturalization User Fee of \$7.00; US Customs User Fee of \$5.89; US APHIS (Animal and Plant Health Inspection Service) Fee of \$3.96; and US International Transportation Tax of \$18.60 per arrival or departure.

LAND ARRANGEMENTS

Land operators overseas arrange all hotel accommodations, transportation by air/rail/boat/bus/car, any meals and sightseeing tours as specified in the itinerary. They reserve the right to change the schedules, hotels, means of transportation and sightseeing without notice, credit or refund. Sightseeing tours could be seat-in-coach/join in tours by motor-coach or by private car with English-speaking guide, depending on each destination on Pacific Holidays tours. Arrival and departure transfers could be by private car/coach with or without English-speaking guide depending on each destination. This will be clearly stated on your voucher. If it is originally seat-in-coach tour/transfer and private transfer/tour is required, additional charge will be required. Land Only prices listed in the Pacific Holidays brochure include air or surface transportation between cities within Asia, Latin America, Europe, Africa and South Pacific on the itinerary unless otherwise specified. All hotels listed for the programs are carefully selected for their service, location and price. If one of these hotels is fully booked at the time of reservation, Pacific Holidays and its local representative will substitute reservation with a similar hotel at similar standard and price. If a hotel of the same category cannot be found, a better or lesser hotel will be used. Price may change accordingly. Some airfare, hotel and cruise prices listed in Pacific Holidays programs are based on early booking or booking deadline requirements, as noted in certain programs. If reservation is made later than required, prices will be higher. Room categories in all programs are usually run-of-the-house, or garden-view room/bungalow or as specified. If one specific category requested or included is not available at time of booking, a different room category can be reserved at a different rate. To guarantee honeymoon rates/bonuses, wedding certificate required. Most hotels offer honeymoon discount rates/bonuses within 6-12 months from wedding.

TOUR MANAGER

A scheduled departure with more than 15 participants will have a tour manager from Pacific Holidays. His/her seat will be in the first city in Asia/Latin America/South Pacific/Europe and ends in the last city on the itinerary. In this case the tour will be locally escorted or hosted.

GUARANTEED DEPARTURES

All Pacific Holidays tour programs are guaranteed departure even with only one participant unless otherwise specified. Single supplement is required. Pacific Holidays reserves the right to cancel or modify certain departures due to cancellation or change of service by airlines, ground operators, and hotels.

RESERVATION & DEPOSITS

A deposit of \$500 per person is required - plus a non-refundable deposit that some air, hotels, and cruises may require - at time of booking made through your Travel Agent or Pacific Holidays. Final payment is due 90 days prior to departure. A surcharge of \$75 per booking will be imposed for packages less than \$1,000 per person. All bookings are subject to availability at time of reservation. Additional deposit(s) or full payment for critical air, hotel or land segments because of high season and/or group reservation may be required.

By signing the Credit Card Authorization Form and reading Pacific Holidays terms and conditions, the card holder agrees to be responsible for payment for the ticket(s)/services or other purchases indicated on the form. Whether card holder decides to use these services or not, he/she will not place a stop payment order or dispute on the credit card tendered as payment for such service. If credit card holder decides not to use the services, he/she, not the travel agent, will be responsible for any penalties due to his/her purchases. No Signature on File charges are accepted.

Participants who have paid in full are protected from any exchange rate adjustments.
