GALAPAGOS ISLAND HOPPING

Day 1, Saturday - Miami/Guayaquil

Depart Miami via Avianca Airlines flight to Guayaquil. On arrival, transfer to hotel. (Wyndham Garden)

Day 2 – Sunday - Guayaquil/Santa Cruz, Galapagos

Today, transfer to airport for flight to the Galapagos Islands. Arrive in Baltra and take a shuttle to Santa Cruz island, journeying across the island into the highlands. Beginning at the coast and traveling north along the road to Puerto Ayora, the road climbs through the agricultural zone and into the mist-covered forests of the highlands. Santa Cruz possesses all of the various life zones present on the archipelago, with wonderful birding opportunities. Whether it's the bright red feathers of a vermilion flycatcher or one of Darwin's finches, almost every land bird present on the islands can be found here. Stop at one of the ranches for lunch and to explore the grounds in search of tortoises. After lunch, continue to Puerto Ayora for some leisure time this afternoon. (Fiesta/Acacia) (B/L)

Day 3, Monday – Santa Cruz/Floreana

After breakfast, take a speed boat to Floreana island (about 2-1/2 hours). Floreana was the first island to be colonized by Ecuadorians in 1832. Arriving on the island, visit a local farm and learn about the Floreana lifestyle. Also, visit a lagoon where it is possible to observe frigate birds. After lunch, prepared with foods harvested from the farm, continue to Asilo de la Paz, a 45-minute ride from town, where you can view a pirates' cave and the fresh water spring. Along the path, see giant tortoises, a species that has been recently re-introduced after being considered extinct. This evening have a barbecue on the beach and enjoy the peacefulness of Floreana. (Santa Maria) (B/L/D)

Day 4, Tuesday – Floreana/Isabela

Begin the day with an excursion to La Loberia, a sea lion

breeding area. Take a short walk along the shore after the interpretation and view the landscape of this visitor's site. Then start a marine excursion in the bright turquoise water, where you might be able to swim with sea lions, sea turtles, manta rays and a variety of colorful coral fish. After lunch, take the speed boat to Isabela island (about 2-1/2 hours) and have a chance to enjoy the island on your own. (Volcano/Casa de Marita) (B/L)

Day 5, Wednesday - Isabela

After breakfast, travel by car to the mountainsides of Sierra Negra Volcano. Then walk (about 2 hours) to reach the crater of the volcano, where you may see the Galapagos sparrow hawk. Become familiar with the geology of the volcano. After a box lunch, return to the town. Afternoon, visit the Tintorerias Islet, a short distance from Puerto Villamil, home to a great variety of wildlife. Its waters are inhabited by white-tipped reef sharks, Galapagos penguins, marine turtles and sea lions. One of its beaches, surrounded by mangroves, is one of the few sites where marine iguanas can reproduce successfully. (B/L)

Day 6, Thursday – Isabela/Santa Cruz

After breakfast, start out for the Flamingo Lagoon. Along the trail (about 1.2 miles), learn about the vegetation and geology of Isabela island. Arriving at the lagoon, you may see flamingos feeding in the lake. Continue on to visit the Tortoise Breeding Center, where you learn more about the reproduction and breeding of the tortoises. Back at Puerto Villamil, take a boat to Santa Cruz Island. On arrival, head to the Charles Darwin Station. The center is a font of information on habitats and local conservation. At the Tortoise Breeding Center, it is possible to view tortoises of different shapes and sizes. Travelers here can freely walk and get their pictures taken with the tortoises. (Fiesta/Acacia) (B)

TERMS AND CONDITIONS

AIR TRANSPORTATION

Air transportation is in economy class on IATA carrier, based on lowest promotional airfares and subject to terms and conditions set by the airlines. Airfares quoted are those in effect at time of printing and are subject to change without notice. Airfares can be protected from increase only by payment in full and the issuance of tickets. Changes in flight itineraries by the passenger after the issuance of tickets may result in a change fee and an increased airfare. When an airline has sold out its promotional airfare quoted in the package, a different booking code with a higher rate will be used at additional cost. Airlines reserve the right to change schedules without notice. Under the packages stated herein, the airline is a supplier of air transportation only. The other services providing transportation, hotel accommodations, and rail and rental car suppliers under these vacation packages are independent contractors and are not employees of the airlines. Because of increased liability concerns, airlines are imposing additional insurance surcharges with/without prior notice. Airline fuel surcharges (as of Nov 15, 2019) are included in the tour package rates and subject to change. Airfare quoted could be adjusted accordingly. Government taxes and fees, which are included in the brochure prices, are as follows: September 11th Security Fee of \$5.60 per enplanement at a US airport per one-way trip; Passenger Facility Charges of up to \$4.50 per segment (up to a maximum of four such charges per round trip); US Domestic Flight Segment Fee of \$4.20 per segment (defined as one takeoff and one landing); Hawaii and Alaska International Air Transportation Tax of \$9.30 per direction for flights between continental US and Hawaii or Alaska, or flights between Hawaii and Alaska, as part of an international journey; US Immigration and Naturalization User Fee of \$7.00; US Customs User Fee of \$5.89; US APHIS (Animal and Plant Health Inspection Service) Fee of \$3.96; and US International Transportation Tax of \$18.60 per arrival or departure.

LAND ARRANGEMENTS

Land operators overseas arrange all hotel accommodations, transportation by air/rail/boat/bus/car, airport meals and sightseeing tours as specified in the itinerary. They reserve the right to change the schedules, hotels, means of transportation and sightseeing without notice, credit or refund. Sightseeing tours could be seat-in-coach/join in tours by motor-coach or by private car with English-speaking guide, depending on each destination on Pacific Holidays tours. Arrival and departure transfers could be by private car/coach with or without English-speaking guide depending on each destination. This will be clearly stated on your voucher. If it is originally seat-in-coach tour/transfer and private transfer/tour is required, additional charge will be required. Land Only prices listed in the Pacific Holidays brochure include air or surface transportation between cities within Asia, Latin America, Europe, Africa and South Pacific on the itinerary unless otherwise specified. All hotels listed for the programs are carefully selected for their service, location and price. If one of these hotels is fully booked at the time of reservation, Pacific Holidays and its local representative will substitute reservation with a similar hotel at similar standard and price. If a hotel of the same category cannot be found, a better or lesser hotel will be used. Price may change accordingly. Some airfare, hotel and cruise prices listed in Pacific Holidays programs are based on early booking or booking deadline requirements, as noted in certain programs. If reservation is made later than required, prices will be higher. Room categories in all programs are usually run-of-the-house, or garden-view room/bungalow or as specified. If one specific category requested or included is not available at time of booking, a different room category can be reserved at a different rate. To guarantee honeymoon rates/bonuses, wedding certificate required. Most hotels offer honeymoon discount rates/bonuses within 6-12 months from wedding.

TOUR MANAGER

A scheduled departure with more than 15 participants will have a tour manager from Pacific Holidays. His/her seat is in the first city in Asia/Latin America/South Pacific/Europe and ends in the last city on the itinerary. However, many Pacific Holidays tour packages go to remote and less-frequented destinations. Our group departure may have fewer than 15 participants. In this case the tour will be locally escorted or hosted.

GUARANTEED DEPARTURES

All Pacific Holidays tour programs are guaranteed departure even with only one participant unless otherwise specified. Single supplement is required. Pacific Holidays reserves the right to cancel or modify certain departures due to cancellation or change of service by airlines, ground operators, and hotels.

RESERVATION & DEPOSITS

A deposit of \$500 per person is required - plus a non-refundable deposit that some air, hotels, and cruises may require - at time of booking made through your Travel Agent or Pacific Holidays. Final payment is due 90 days prior to departure. A surcharge of \$75 per booking will be imposed for packages less than \$1,000 per person. All bookings are subject to availability at time of reservation. Additional deposit(s) or full payment for critical air, hotel or land segments because of high season and/or group reservation may be required.

CREDIT CARD PAYMENTS

Pacific Holidays accepts all major credit cards for deposit or final payment. If payment is by credit card, a Pacific Holidays Credit Card Charge Authorization Form must be filled and signed by credit card holder. Card holder can fax completed form to Pacific Holidays, along with copy of both sides of credit card and a copy of second proof of signature such as driver's license or passport. The original copy of signed charge authorization form must be mailed to Pacific Holidays and received before documents can be released. Pacific Holidays will obtain the authorization code. Improperly filled out charge form may result in delay of documents being sent out. By signing the Credit Card Authorization Form and reading Pacific Holidays terms and conditions, the card holder agrees to be responsible for payment for the ticket(s)/services or other purchases indicated on the form. Whether card holder decides to use these services or not, he/she will not place a stop payment order or dispute on the credit card tendered as payment for such service. If credit card holder decides not to use the services, he/she, not the travel agent, will be responsible for any penalties due to his/her purchases. No Signature on File charges are accepted.

CHANGE & LATE BOOKING FEE

A late booking fee of US \$100 per person will apply to bookings received within 45 days prior to departure date of the tour. A fee of US \$100 per change plus air ticket/hotel/land operator change fee imposed by the airlines/hotel/land operator will apply to each change made after the booking has been confirmed and a deposit has been received.

CANCELLATIONS AND REFUNDS

Full refund of deposits made if cancellation is received in writing 90 days prior to departure, less \$200 per person handling fee, plus any nonrefundable deposit for air, hotels and cruises, as well as credit card charge fees. Between 89 and 60 days prior to departure, a handling fee of \$400 per person, plus non-refundable fees will be charged. Between 59 days and 30 days prior to departure, a handling fee of \$600 per person, plus non-refundable fees, will be charged. Between 29 days and 8 days prior to departure, a handling fee of \$800 per person will be charged, plus any expenses already incurred and cancellation fees imposed by hotels and suppliers. Seven days or less prior to departure, 50% of the tour package price or \$1000 per person, whichever is higher, will be charged, plus any nonrefundable deposit for air, hotels and cruises, as well as credit card charge fees. SPECIAL NOTE: For online bookings made on Pacific Holidays website, if cancellation is due to unavailability and if cancellation is received in writing within 7 days of reservation, full refund of deposits or payments made, less \$50 per person handling fee, plus any nonrefundable deposit for air, hotels, and cruises, as well as 5% credit card charge fees. NO REFUND will be granted to unused land portion once the tour has begun. All refund claims must be made in writing through the agent from whom

the tour has been purchased no later than 30 days after termination of trip. Trip cancellation insurance is highly recommended. Claims for refund for services not rendered must be accompanied by a statement from the Tour Manager or Pacific Holidays local representative certifying exactly the services not rendered. Voluntary non-use of hotel accommodations, tour features or services, or of value-added features (free meals, free nights, free tours, free transfers, etc.) included in the prices listed in the Pacific Holidays brochure, is not refundable or exchangeable for other accommodations and service provided by airlines, hotels and local tour operators. No refunds will be made for changes to hotels and/or other services made at the discretion of the passenger en route. Travel Protection Plan cost is non-refundable (after the state-required free look period). Credit card charge fees, visa fee, and visa handling fees are non-refundable. Since most airline tickets are discounted in Pacific Holidays tour packages, refund may be subject to penalty from supplier/airline, may not be in full face value, and may require pre-payment of processing fee to Pacific Holidays. Please allow 4-6 weeks to process refund, and longer for airline ticket refund.

NOT INCLUDED IN RATE

Excess baggage charges, drinks and liquor, extra miles, all items of a personal nature, tips to drivers and guides, and visa fees are not included in tour package rates. Foreign government security/tourism/airport/international transportation taxes and fees up to \$250.00 (varies widely by destination and fluctuates with exchange rates) are not included in tour package rates.

TRAVEL DOCUMENTS

A passport valid for six months after tour return date to the U.S.A., and with adequate number of blank visa pages, is required. Consult Pacific Holidays or your Travel Agent for visa information.

RATE ADJUSTMENT

Tour costs are based on packages provided by ground operators who are agents of Pacific Holidays, and are based on tariffs and rates of exchange between the US dollar and foreign currencies in effect at the time of this brochure printing. Tour costs are unlikely to change unless there are extreme exchange rate fluctuations or surcharges by hotels or ground operators. Participants who have paid in full are protected from any exchange rate adjustments.
